The Chairman Sir

Southeast University CSE dept .

Tejgaon , Dhaka.

Subject: application for a scholarship.

Sir,

Will due respect, I beg to state that I am a student and department of CSE 65 batch and a regular student at your university. My father is an immigrant. My father is the only bread earner of the family, and he has to look after the needs of 5 family members. He also maintains My other 2 brother educational expenses in my Hometown, and he cannot bear my educational expenses. If things continued this way, I am afraid I would have to leave my studies. But sir I have a dream to finish my University In CSE. In this situation I badly need (MOU) waiver. But sir this MOU waiver is very tough process and very limited sir if you help me for that waiver I am grateful to you in my whole life.

I therefore pray and hope that you understand my issue and enough to grant me this waiver and oblige thereby

Your most obedient pupil
